

Silk Route Phytosolutions, LLC

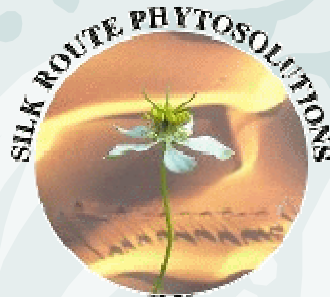

*Community Empowerment. Strategic Partnerships.
Sustainable Business!*

SRP can provide a strategic mix of scientific competence and knowledge with political sensitivities and cultural awareness!

- Linguistic, Cultural and Ethnic Expertise and Knowledge.
- Feasibility Analysis and Marketing Assessments.
- Production— GAP and Organic regulations/compliance.
- Processing— GMP and HACCP regulations/compliance.
- Scientific Data Mining.
- Germplasm Breeding and Selection.

Muslim countries are our socio-cultural specialty.
Choose us when cultural sensitivities can make or break a deal.

Command of the Arabic language is critical for business Arab countries.
Turn to SRP for business networking and partnerships in the Arab countries.
